

Unless otherwise noted, all sessions will be held at our usual venue, the Moore branch of the Tacoma Library. Starting time is 1:00 pm. We're usually there at 12:30, so you can come early, socialize, get set up and comfortable. There will be a break about midway through each session. That's, so we can get acquainted, and perhaps trade riffs and ideas. The last hour is usually dedicated to new songs, and experimentation. We wrap it up around 5:00 pm and use the final few minutes for housekeeping and pack out.
